

UNC Rockingham Health Care, part of the UNC Health care System, is committed to providing the highest quality patient care experience. Patient care services are provided by all members of the UNC Rockingham Health Care team in accordance with our Mission, Vision and Values.

Our ability to serve those who come to us for care is directly related to our ability to attract and retain qualified staff. We embrace the concepts of employee growth and development, ongoing education and participatory management. These concepts are evidence in our philosophies, policies and procedures and the mission of the organization.

UNC Rockingham Health Care is an equal opportunity employer and complies with Federal and State laws which prohibit discrimination in employment practices. All recruiting, hiring, training, and promoting for all job classifications is done without regard to race, color, religion, sex, age, disability or national origin.

At UNC Rockingham, we're currently hiring an RN Occupational/Employee Health Nurse!
