

Timken needs someone to cover my position at Timken for several weeks at the end of July, 2019.

This will be a temporary assignment, however, there is a great need for additional nurse hours each week; so, it may be a position that would develop into part time if desired.

I would like to have someone hired, and trained by July 22nd as my first day out will be July 29th.

My return date is anticipated to be around October 28th, 2019. This would be a 3 month assignment. If all goes well, I may be able to return in 2 months.

The hours needed are 7a-3:30p Monday – Thursday (and possibly Friday if Timken chooses and the nurse has an interest to work a 40 hour week.)

Please contact my supervisor, Stella Lenis, at Corporate Health Resources if you are interested in this position.

You may also call me or email me at my contact information below if you have any questions.
